IN OTHER NEWS...

In assembly today, we talked about the importance of 'Jeans for Genes day.' The children showed maturity, empathy and kindness. See what they can tell you!

Headteacher's Update

It's been another busy and fulfilling week here at The Russell School, with much learning, discovering and playing for all.

Our classes are now well into their learning and work in books is starting to grow. Do ask your children to tell you what they are learning as that opportunity for discussion helps to embed knowledge and develop vocabulary.

Some of our Governors visited yesterday and I was very proud to take them into classes, where they loved chatting to the children and hearing, from the children's perspective, about their learning.

We have been working really hard to move around the school quietly and sensibly and this week, Year 1 and Year 6 have earned some extra play as they have displayed this consistently and collectively throughout the week. Let's see who walks to win next week!

I have had the VERY difficult task of choosing our new 'Golden Scroll' certificate design this week. It was such a pleasure to receive so many, with such varied and creative designs. It shows me how much the children care about their school and how much they value these certificates. This year's winning design has been created by Zara and Isla in Year 6. The art work and layout is a great design for the certificate and I'm sure you'll see, from the picture below, that it copies well, which is another important element to the process! Thank you to each and every one of you who took part. I am going to see if I can find a way to display all entries somewhere in the school.

It was a pleasure to spend some time chatting to some of you this morning at our PTA Coffee Morning. Thank you to our hardworking PTA for making this happen! Please do pop in to our next one. It is a great way to meet people, share ideas and have a well-earned coffee!

I look forward to welcoming lots of you into the school on Tuesday, 26th September for our class drop-in event. I will do a quick introduction in the hall and then you will all have a chance to go into your children's classrooms and find out about what they are learning!

I hope you all have a lovely weekend,

Laura Brooks

GOLDEN SCROLL WINNERS

Well done Zara and Isla.

A FANTASTIC certificate design!

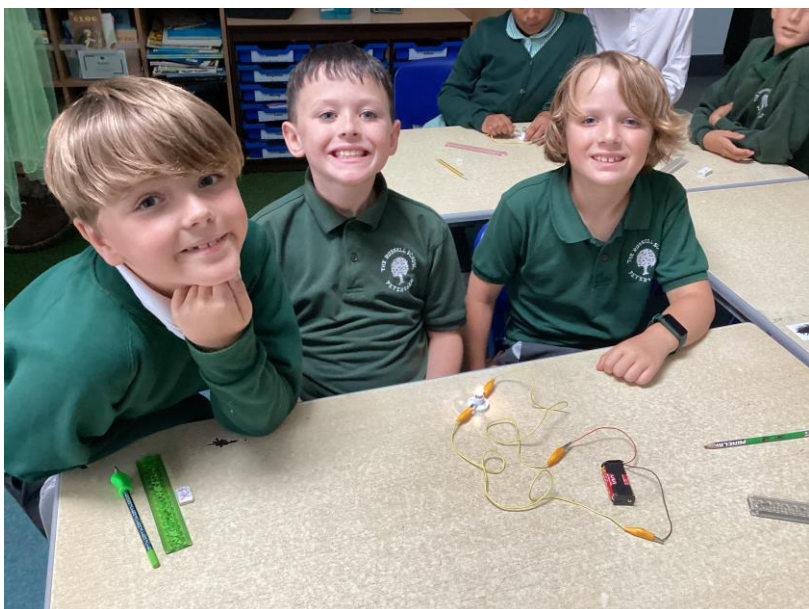

This week's winners above:
Freya, Daisy, Audrey,
Scarlett, Harry and
James for showing
kindness to others.

Look What We Have Been Learning This Week...

Spotlight on Year 4 and 5....

This week, Jenner Class, Year 4, have had an exciting week that has included working as a team to make circuits as well as writing adventure stories about the life of a Viking. Have a look at their teamwork in action; and don't forget to ask them all about it!

Recoque Class, Year 5, have been using their scientific enquiry skills to explore microscopic bacteria samples. Some great group discussion was prompted!
